

Canaveral Cargo Terminal

Port Canaveral, Florida

Offers global end-to-end supply chain and logistics solutions with competitive trade solutions

Located on the East Coast of US, Port Canaveral is an economical and convenient ocean gateway into Florida.

Canaveral Cargo Terminal (CCT) is located at Port Canaveral, Florida, and is capable of handling containers, lumber, project cargo, dry bulk, PCC, and Space Maritime cargoes. Gulfstream's U.S. subsidiary, GT USA, operates CCT and offers end-to-end supply chain and logistics solutions to importers and exporters, with efficient and competitive trade solutions.
