

REEFER CARE

SHARJAH CONTAINER TERMINAL

YOUR FRIENDLY, DEPENDABLE AND COST-EFFECTIVE NEIGHBOURHOOD REEFER CARE PROVIDER

PROBLEMS

- Is the municipality inspection your worst nightmare? Do you fear getting rejected for simple reasons?
- Do you wish to speak to the authority directly instead of a pre-recorded message on phone or online?
- Is delayed reefer inspection costing you additional time and money?
- Do you pay higher inland transportation cost?

SOLUTIONS

- Municipality inspection is free of charge in SCT
- Physical inspection and clearance done straight away; avoid delays due to sample testing in lab
- On call express municipality inspection available 24/7
- On-demand priority discharge and priority inspection for reefer containers to speed up the delivery process
- Competitive reefer monitoring charges
- Capacity to handle 1000++ reefer containers
- Flexibility to have an open conversation with customs
- Minimum paperwork requirements

Fully integrated bonded terminal network in the UAE connecting both coasts

Sharjah (SCT)

Khorfakkan (KCT)
