Gulfainer

Established in 1976, Gulfainer is a privately owned, independent port management and 3PL logistics company based in United Arab Emirates (UAE) and for more than 40 years we have been delivering a world-class performance to our customers.

Our UAE operations include the Khorfakkan Multipurpose Container Terminal (KMCT), Sharjah Container Terminal (SCT), and Sharjah Inland Container Depot (SICD) and the company's international presence spans across the Middle East, and Americas with projects in Iraq, Saudi Arabia and the USA.

Momentum

Momentum Logistics is a fully integrated third-party logistics provider, offering a complete suite of supply chain management solutions including transportation, freight forwarding, warehousing, logistics cities, and container services.

Launched in 2008 to enhance Gulfainer's service offering, the company now has operations spanning the Middle East, with operational headquarters located at the Sharjah Inland Container Depot (SICD).
