

What WOOD you say... ?

Port Canaveral, Florida - Opportunities in Lumber Operations and Storage

Canaveral Cargo Terminal [CCT] have recently expanded its terminal footprint from 20 acres to 30 acres with multiple options to develop undercover storage facilities & opportunities to partner for possible warehousing making CCT a regional distribution hub for your lumber requirements.

- Ideal gateway for Lumber import/ export, storage & distribution**
 - Store as you wish – by SKU, Grade and/or OBOL
 - First in, First out operation available
 - Uncongested access - 12 miles from the interstate I-95
- Visibility tools to optimize your supply chain**
 - Physical counts on inventory received from the Ocean Carriers | Number of bundles needing recouping/ redressing | Releases by CBP/USDA | Daily delivery reports including the Bill of Ladings of each delivery | Monthly physical count
- Reliable, simple and quick gate operations reducing truck dwell time**
 - Three entry lanes and plenty of room for truck staging | Ability to load any truck within 15 minutes
- Agreements in place with two Shipping Lines carrying Lumber**
