

## Official Announcement

### Advisory to Clearing Agents, Freight Forwarders & Business Owner

We are pleased to inform **customers, clearing agents, and freight forwarders** that office space is available in **Khorfakkan** with all necessary facilities (desk, internet connection).

Clearing agents are encouraged to organize their operational activities from **Khorfakkan** to facilitate closer coordination with port operations and support efficient cargo handling.

Operating from **Khorfakkan** allows clearing agents to work directly with terminal teams and shipping lines, enabling smoother documentation processing and faster cargo movement from the port.

**Customers** also have the option to clear their shipments directly at **Khorfakkan Port** or through the **Sharjah Dry Port (SICD) or Sajaa**, depending on their operational requirements. This flexibility enables more efficient cargo movement across the UAE logistics network and supports streamlined inland clearance operations.

Please **request** your shipping line to display on the manifest: “**Remark: AEKLF local delivery, POD & FPOD AEKLF**”.

Your cooperation will help maintain efficient cargo flow through Khorfakkan Port, SICD, and Sajaa. Should you require any further clarification or assistance, please contact our commercial team at [commercial@gulftainer.com](mailto:commercial@gulftainer.com) or 09 208 4666.

Yours sincerely,

**Commercial Team**
