## Gulftainer Customer Advisory

Dear Valued Customer,

Gulftainer is pleased to announce the opening of a new off-dock facility for the return and handling of empty containers. This facility has been established to enhance operational efficiency and improve turnaround times. Use of the facility is available where the laden containers were originally discharged at Gulftainer's Sharjah or Khorfakkan terminals. The facility is located at:

Sajaa Dry Port: <https://maps.app.goo.gl/T4LTTto2US3ECVemm9>

Empty containers will no longer be accepted at Gulftainer's UAE port terminals. Customers must contact their usual Gulftainer representative prior to use of the facility.

Kind regards,

Gulftainer Company Limited
