

User Manual

Gulftainer Marshall Yard E-Token Haulier Portal

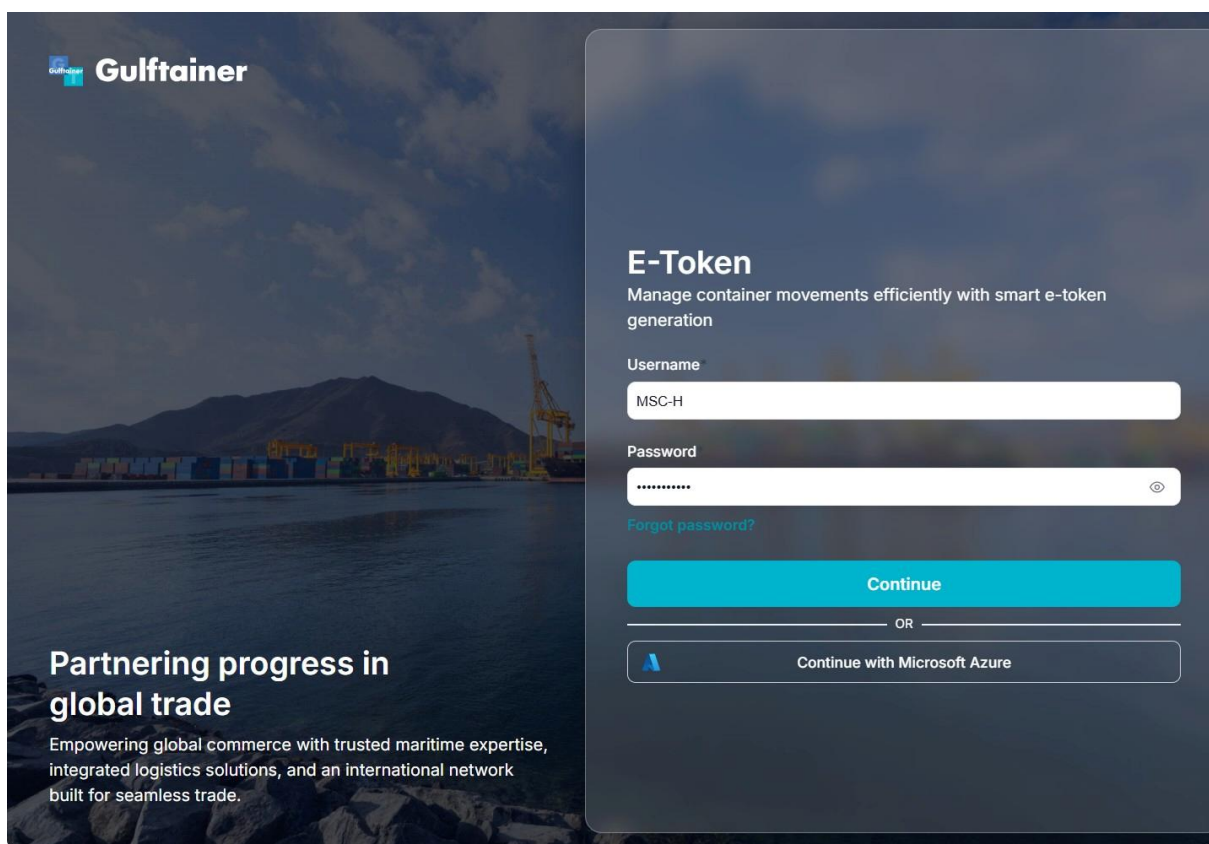

Marshall Yard E-Token Portal

Summary

The purpose of this document is to provide brief guidelines for users to the Gulftainer Marshall Yard E-Token portal for Bonded moves.

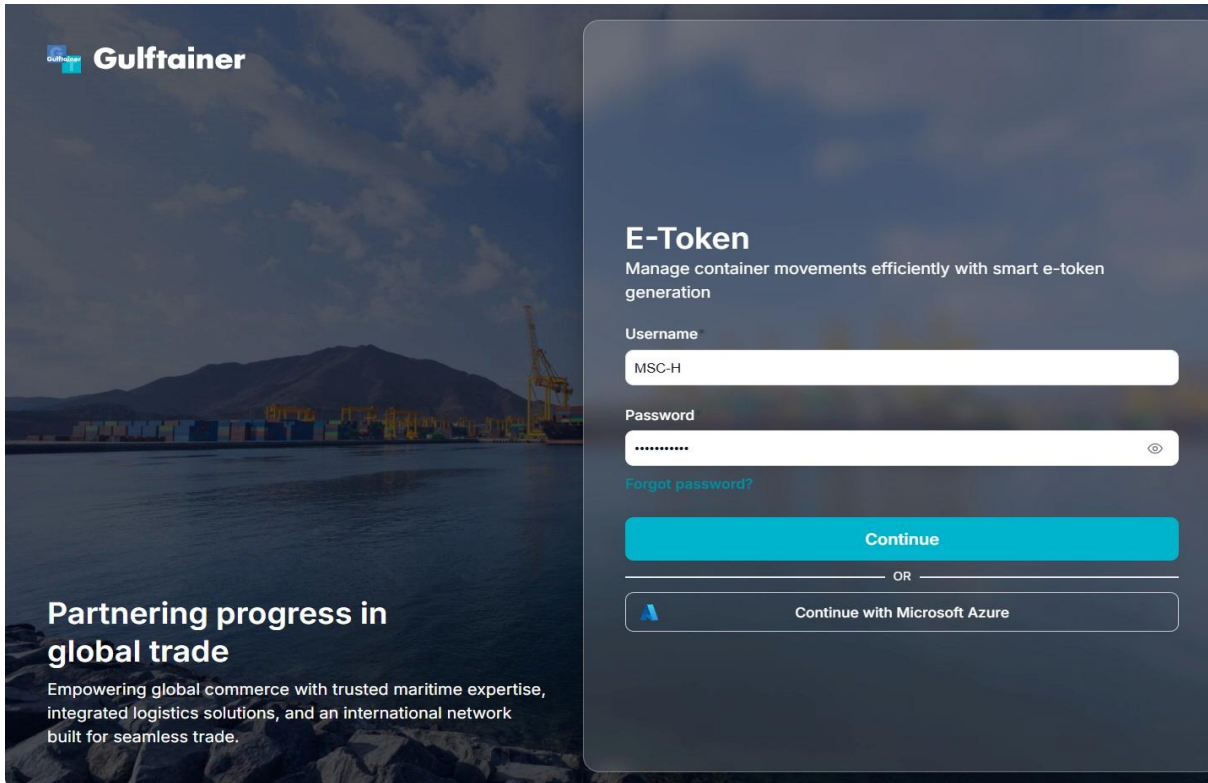

Accessing Portal

- Launch Google Chrome
- Type / Copy paste the URL: <https://eservices.gulftainer.com/a/e-token-generator/login>

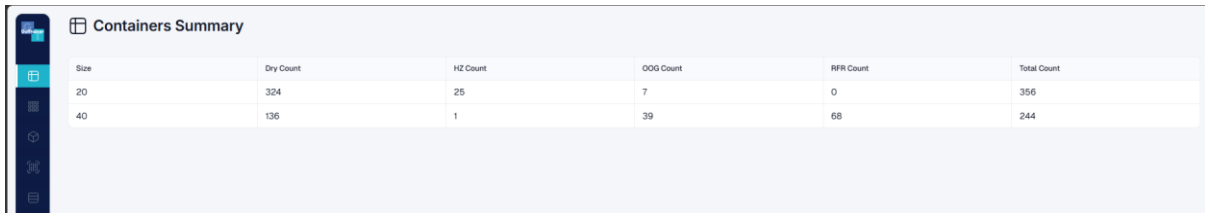

1. **Login**

- a) Click the "Enter your username" field and insert the TOS username.
- b) Click the Password field to insert your TOS password.
- c) Click "Continue" to login

2. Containers Summary

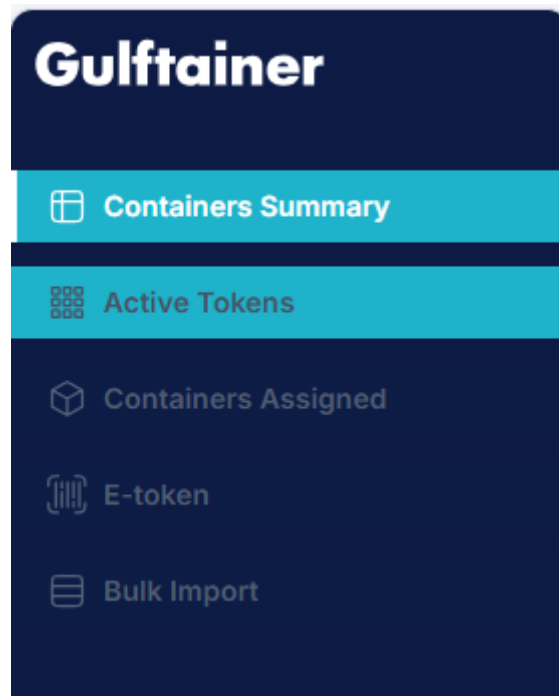

After login user will be shown Containers Summary page where they will be able to see different size of containers and their Counts.

Size	Dry Count	HZ Count	OOG Count	RFR Count	Total Count
20	324	25	7	0	356
40	136	1	39	68	244

3. Active Tokens

Navigate to the Active Tokens screen from the left NavBar to see all the tokens that are created.

- a) Active Tokens screen shows different information
 - a. Booked: Shows the no of total active tokens.
 - b. In Parking Yard: this shows the total number of tokens whose status is In parking Yard
 - c. In Terminal: Shows the token tokens whom status is In Terminal.
 - d. Assigned Containers: This shows the number of containers that are assigned to the Haulier by Consignees. (clickable)

Active Tokens
