MV "GFS GALAXY" INCIDENT July 12th | ASIA – MIDDLE EAST SERVICE KCX 2
UPDATE 4/08

Date: 04 August 2026
Ref : GTL26/08/04_1

Dear Valued Customer,

Further to our previous advisories regarding **MV "GFS Galaxy"**, we would like to provide you with a further update.

By way of background, **while transiting the Strait of Hormuz as part of a convoy on 12 July 2026, the vessel was reportedly struck by an unidentified projectile**, following which a fire occurred in the engine room and the crew was required to abandon the vessel.

As previously advised, the fire was subsequently extinguished, tug assistance was mobilised, and **the vessel was safely brought to Khorfakkan.**

The vessel remains at Khorfakkan, and we understand that arrangements **are currently being made to berth the vessel.**

GT LINES will advise customers of discharge and cargo availability arrangements **once berthing has taken place and further information is confirmed.**

GT LINES is actively seeking information regarding the condition of the vessel and cargo, and any customers whose cargo may be affected will be contacted in due course.

This update is shared for information only and in good faith, based on information currently available.

Customers requiring further assistance or clarification may contact us at: **gtlines@gulftainer.com.**

We thank you for your continuous support.

Regards,
