MV “GFS GALAXY” INCIDENT July 12th | ASIA – MIDDLE EAST SERVICE KCX2
UPDATE 09/09

Date: 09 September 2026

Ref: GTL26/09/09_1

Dear Valued Customer,

Further to our previous advisory regarding **MV “GFS Galaxy”**, we would like to provide you with a brief update on the vessel’s current status and next steps.

The vessel is currently at **Khorfakkan** and, as per the latest update from the vessel operator, is expected to berth at **Fujairah Port**. with a tentative berthing window in the **3rd or 4th week of September 2026**. The schedule remains subject to change, and we will provide further updates once the berthing arrangements are confirmed.

Once the vessel is berthed, we will proceed with the necessary arrangements for safe discharge of the reefer, dry, and empty containers to the nominated facility.

GT LINES is actively seeking more information regarding the condition of the vessel and cargo, and any customers whose cargo may be affected will be contacted in due course.

This update is shared for information only and in good faith, based on information currently available.

Customers requiring further assistance or clarification may contact us at: gtlines@gulftainer.com

We thank you for your continuous support.

Regards,
