MV "GFS GALAXY" INCIDENT July 12th | ASIA – MIDDLE EAST SERVICE KCX2
UPDATE 09/10

Date: 09 October 2026

Ref: GTL26/09/10_1

Dear Valued Customer,

Further to our previous advisory regarding **MV GFS Galaxy**, we would like to provide an update on the vessel's status and the planned container movement arrangements.

As per the latest information received from the vessel operator, the vessel is expected to berth at Fujairah Port, with a tentative berthing window on 10 October 2026. Please note that the schedule remains subject to change. We will continue to share updates as further information becomes available.

Upon berth, the following arrangements will apply:

- **Dry containers:** Will be transferred to **Al Hayl yard**.
- **Land movement:** Any subsequent land transportation will be carried out as planned at the time of booking a at POL.
- **Dangerous Goods (DG) containers:** All DG containers must be collected on a direct delivery basis.

This advisory is provided in good faith for information purposes only and is based on the information currently available. All arrangements remain subject to operational requirements and further updates.

Customers requiring further assistance or clarification may contact us at: dpoojari@gulftainer.com

We thank you for your continuous support.
